

December 7, 2001, and having serial number 10/013,819. This patent application also claims the benefit of the earlier-filed U.S. Provisional Patent Application entitled "Routing Method and Apparatus", having serial number 60/314,580, and filed 8/23/2001; and U.S. Provisional Patent Application entitled "Routing Method and Apparatus", having serial number 60/337,504, and filed 12/6/2001--

REMARKS

This Preliminary Amendment corrects a typographical error in the claim of benefit of the above-referenced application. In the original claim of benefit, the filing date of application 60/314,580 was specified as 8/23/2000. This Amendment corrects the filing date for this application to 8/23/2001.

Respectfully submitted,
